Explanations:

| |
|-----------------------------------------------------------|
| Uncoloured courses are mandatory for every student |
|-----------------------------------------------------------|

| |
|-----------------------------------------------------|
| You choose only 1 out of 3 different tracks: |
|-----------------------------------------------------|

| |
|-----------------------------|
| Track 1: General Management |
|-----------------------------|

| |
|----------------------------------|
| Track 2: Supply Chain Management |
|----------------------------------|

| |
|---------------------------|
| Track 3: Sales Management |
|---------------------------|

| |
|----------------------------------------------------|
| You choose only 1 option for the electives: |
|----------------------------------------------------|

| |
|-----------------------------|
| Electives Option 1 (London) |
|-----------------------------|

| |
|------------------------------|
| Electives Option 2 (Kempten) |
|------------------------------|

| |
|-------------------------------------------------------|
| Which one you'll attend depends on your track: |
|-------------------------------------------------------|

| |
|---------------------------------------------------------|
| International Supply Chain Management (for track 1 & 3) |
|---------------------------------------------------------|

| |
|-------------------------------------------|
| Internal Logistic Processes (for track 2) |
|-------------------------------------------|

| |
|--------------------------------------------------------------------------------------------------|
| Virtual Learning means self-study plus approx. 1 web-live session with lecturer per week: |
|--------------------------------------------------------------------------------------------------|

| |
|------------------|
| Virtual Learning |
|------------------|

Stays abroad are marked in yellow
